Seated: Lenora Hokit, Joyce Gunn; Standing: Wayne Siemens, Larry Douglas, Duane Montgomery, Ted Rempel.

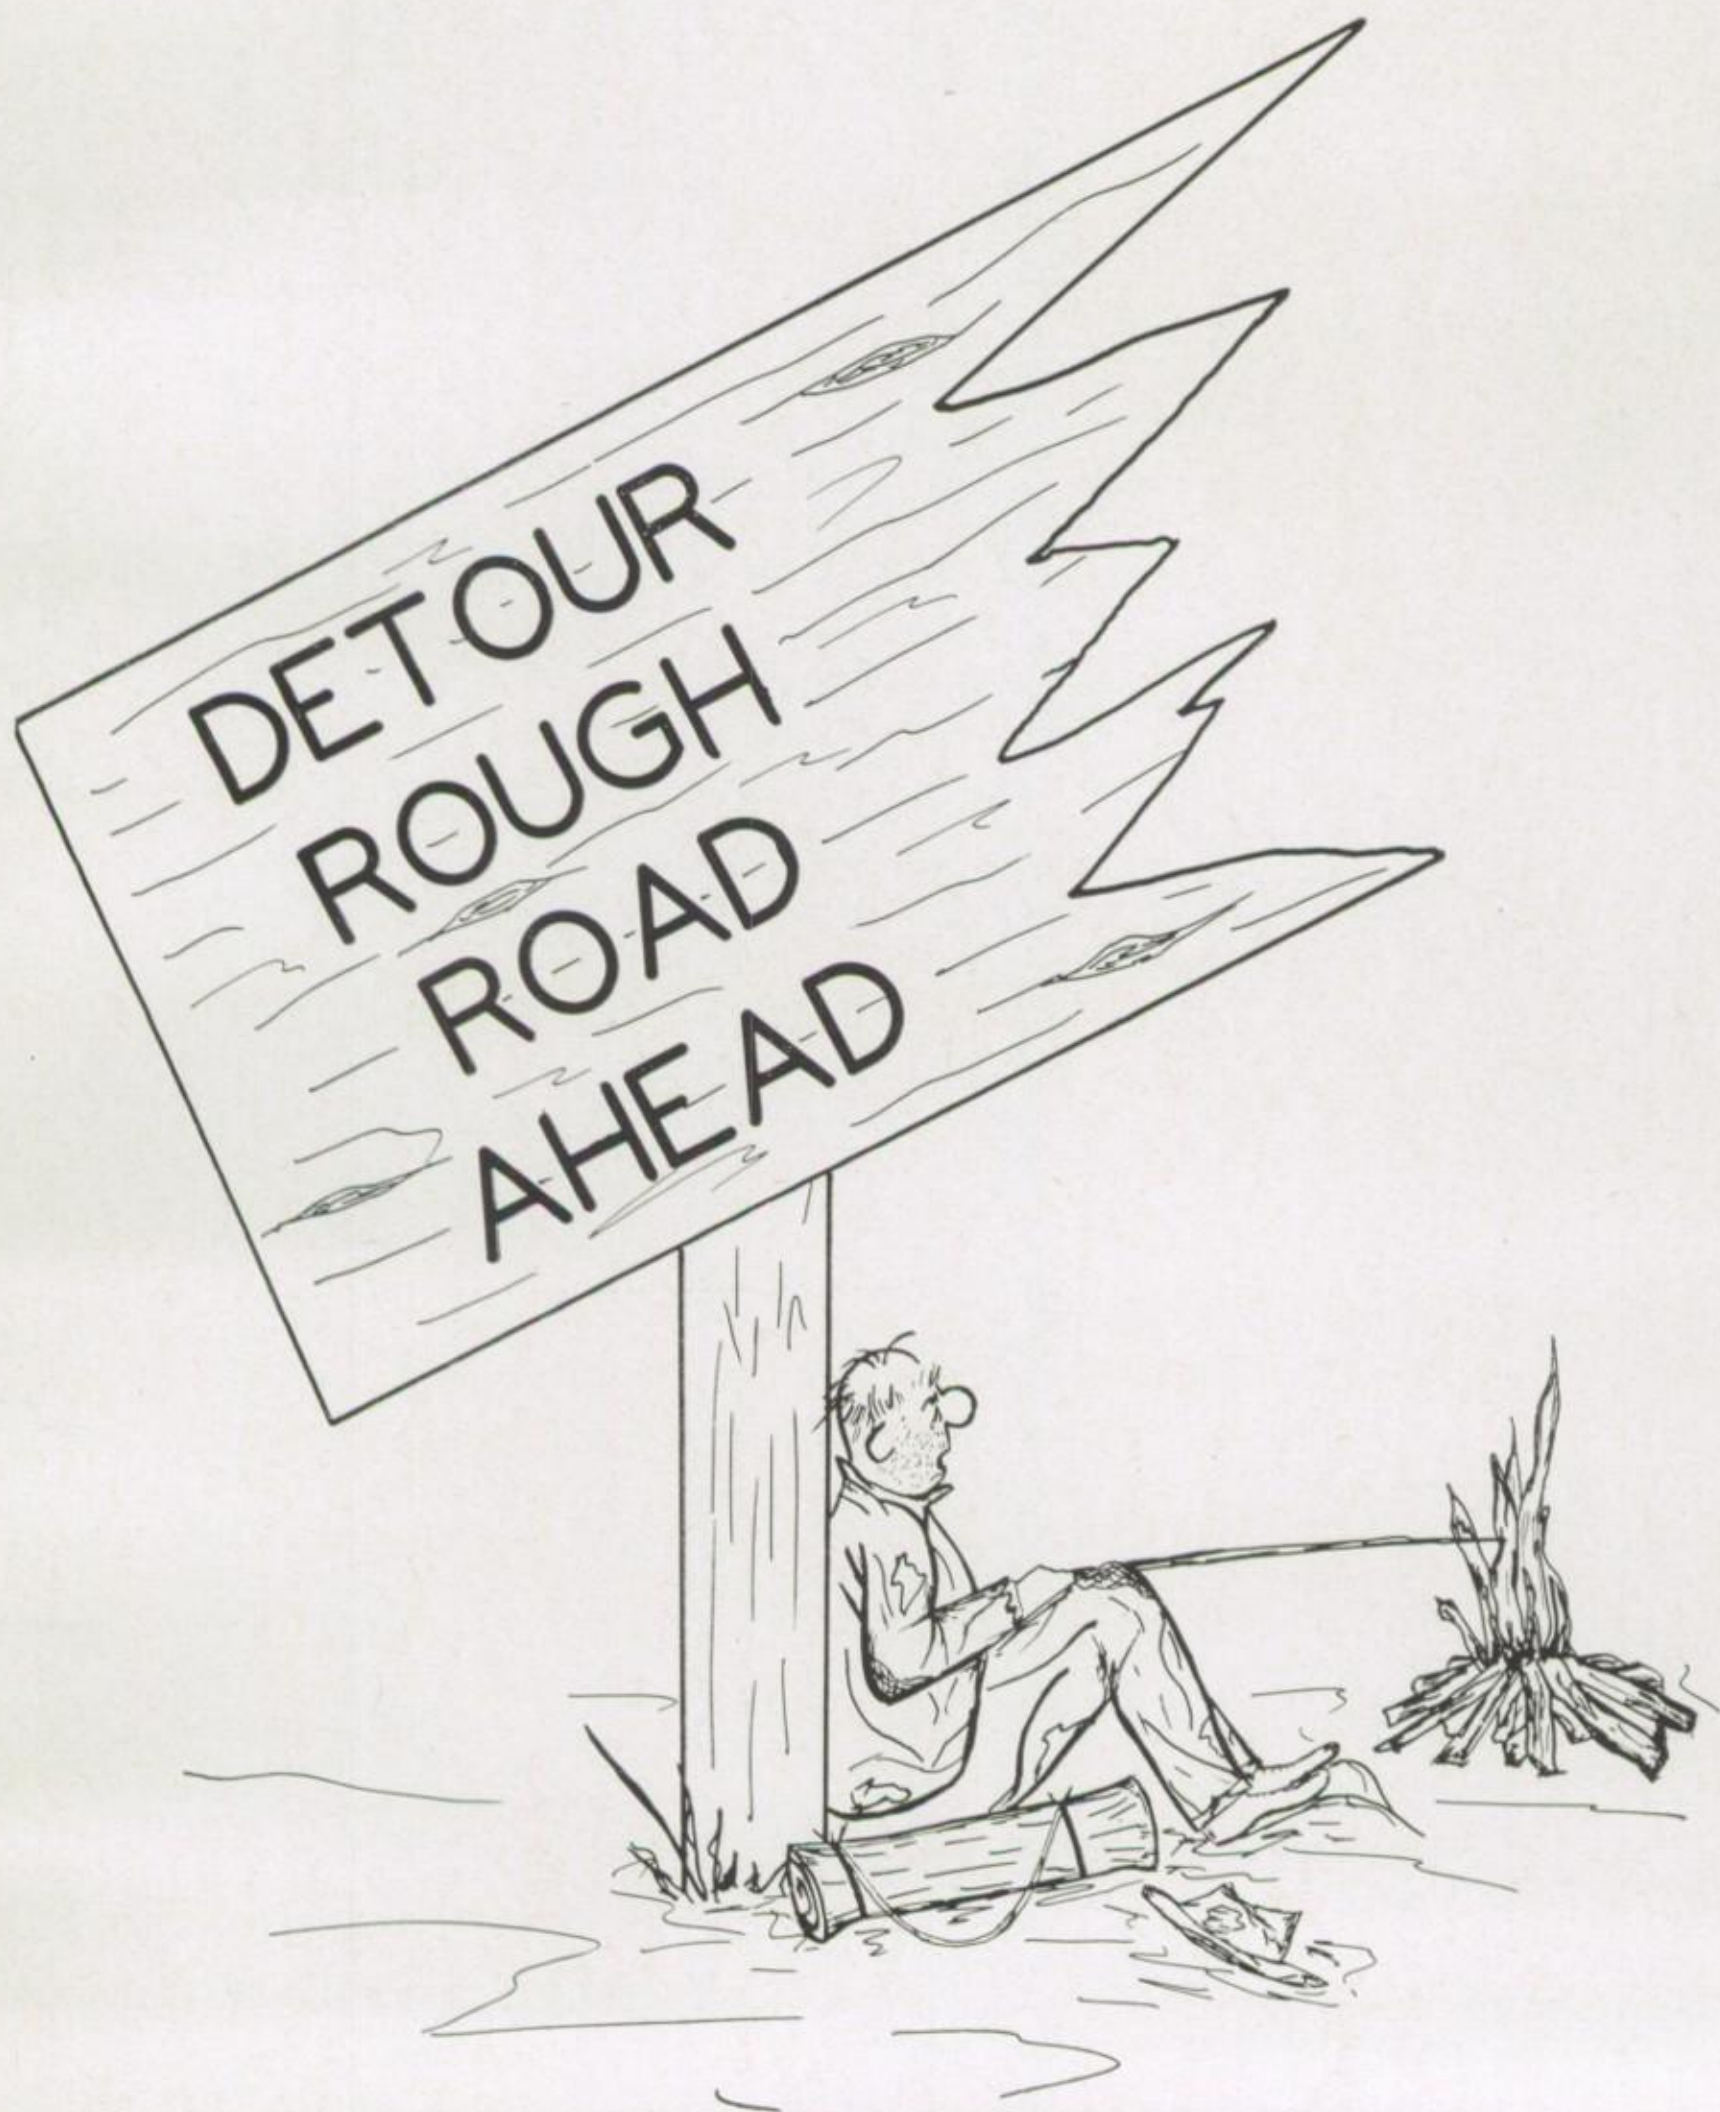

Dedication . . .

To the UNCERTIFICATED STAFF of the Wasco Union High School for their untiring efforts and fine work — to the Secretaries for their friendliness and their willingness to aid the students; to the Cafeteria Staff for preparing a balanced diet; to the Custodians for their immaculate work; to the Bus Drivers for their faithfulness and care in providing transportation; to the Yardmen for the well kept grounds — this volume is respectfully dedicated.

MR. LESTER R. SMITH

Superintendent

Although the program of activities of our students has been hampered somewhat by our building program and by the various unpredicted difficulties that have arisen in connection with this program, still the record of achievements for the year is one of which any school may be proud. It is with both pride and gratitude that we review this fine recording of the accomplishments of our students. The people of the Wasco Union High School may be justly proud of their schools and of the good efforts of their students.

Principal

The spirit of Wasco Union High School is clearly shown in this excellent record of the events of another outstanding year. Our students are to be congratulated on their achievements. We look forward to the expansion of our school plant and the development of even a better educational program.

A black and white photograph of four students in a classroom. Two students are standing in the back, and two are sitting in the front. A chalkboard with handwritten notes is visible behind them. The students are dressed in casual attire typical of the mid-20th century. The chalkboard contains various handwritten notes, including names like 'Harley Darling', 'Lena', 'Karm', 'Marilyn', 'Cordyn', and 'Judy', along with numbers and the phrase 'To Go 201'.

In the fall of 1955, one hundred-seventy five students began a new life at Wasco High as eager individuals, full of vim and vigor. Little did they realize that it would be within the walls of the wonderful institution that the greater part of their lives would be molded. Now, after four years of education, friendships, and activities they bid their Alma Mater farewell and begin paving their paths in the world.

As Sophomores, the class no longer had the problem of orientating itself to high school life, yet it had a busy year ahead of it. There were parties to plan, money to earn, and class rings to choose. The big event of the year was the serving of the Junior-Senior Banquet, where the students became Oriental servants. To represent them, the Sophomores chose the following officers: Presidents, Wayne Siemens and Jerry Napier, Vice-Presidents, Stephen Smith and Barbara Menees; Secretaries, Rebecca McMullen and Carolyn Cameron; Treasurers, Robert Woolley and Dorothy Gardner.

As they entered their final year, the Seniors vowed to make '57-'58 the most successful of their four years at Wasco High, and this they truly did. A ten member cast presented "Dear Ruth". Seniors' pictures were taken and exchanged, measurements for caps and gowns were taken, and announcements were ordered. All these helped to remind the Seniors that soon they would be leaving. The annual Senior "ditch" day, Senior breakfast, and Baccalaureate made the last month extremely busy, but exciting. Officers of the Senior class were: Presidents, Jerry Napier and Monte Baggs; Vice-Presidents, Monte Baggs and LeRoy Waldrip; Secretaries, Evelyn Pohl and Lenora Hokit; Treasurers, Harry Cole and Sharon Wingate. Then on June 4, 1958, one hundred and fourteen seniors proudly marched down the aisle with all the pomp of the graduation exercise to bid their Alma Mater and fellow students farewell.

COACH JACK BURTNER

Despite a slow start, the Tigers wound up the season with a 5-4 record.

Underdogs from the start, the team won impressive league victories over highly rated Garces, South High, and co-champion Coalinga.

The forward wall of the '57 team consisted of: ends, Gary Robinson and Larry Douglas; tackles, Wayne Siemens and Marvin Graves; guards, Bill Babishoff and Adolph Penalber; and center, Carl Ash. The backfield employed: quarterback, Ken Gaede; left halfback, Monte Baggs; right halfback, Arnold Gentry; and fullback, Roy Layne.

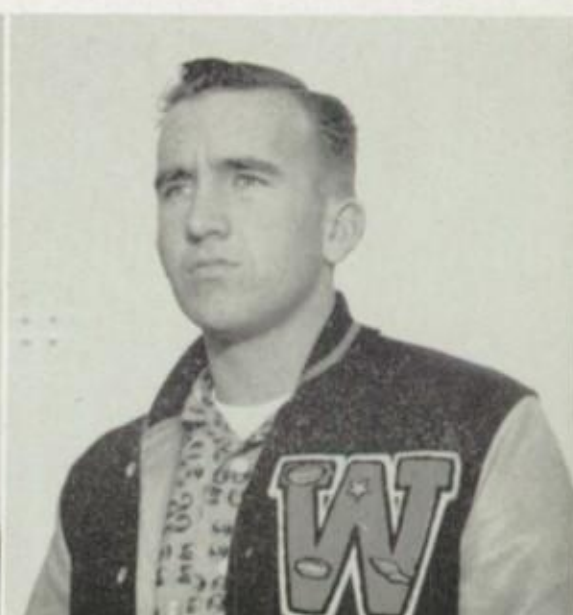

With a line averaging 185 pounds, the Terrymen ploughed to a second-place berth in league standings.

The 1958 football season was a good one for the Cubs. Although their record of wins was not very impressive, they were much improved. As Coach Andy Darby put it, "The real record of the season was made by the team's improvement. They weren't much to look at when the season started, but after the last game they were a greatly improved team."

Apparently the team had a lot of potential, but they were troubled by an unlucky combination of fate, weather and personal whim. With many of their players returning, the team should have a much better season next year.

Rally Winners

At each rally during the year a yelling contest is sponsored by the SRC. The purpose of the yelling contest is to create spirit in the pre-game rallies and to determine which class cheered the loudest. The rivalry among the classes encourages the students to yell louder. Each class is allowed a certain number of yells. As the students yell, several judges scrutinize the applause meter and tabulate the results. Each first place is awarded four points, second place three points, third place two points, and last place one point.

After each rally, the banner of whichever class won the contest was put up in the cafeteria. At the end of the year the totals were tallied. The class having the highest number of points is promised a free page in the Wasconian. This year the seniors once again ruled.

Cross Country

Still first among the small schools, Wasco High's Cross Country Team finished another successful season. This year the harriers took second place in the league meet.

The team was strengthened considerably by the return of three lettermen, Mike Roulier, Ernie Borjon and Dewayne Freeman; and eight other boys with experience on last year's team, Richard Aronson, Delbert Crawford, Bill Tracy, Arnold Borjon, Charlie Sutton, Peter Slivkoff, Bill Slivkoff and Charlie Fulton.

Following in the footsteps of his former teammates, Ernie Borjon was awarded the Most Valuable Runner award.

According to Coach Darby, next year's team should be even better than this year's squad. If all goes well there should be seven returning lettermen and five other boys with experience on the 1958 team.

F. F. A. Activities

In state wide competition Wasco Future Farmers won three grand championships with market hogs, one breed championship and reserve and a grand championship and reserve at the 1957 Kern County Fair to highlight a most successful year for the FFA.

James Johnson topped all Future Farmers at the California State Fair with his crossbred FFA champion barrow and pen of three barrows. This is the first time a Future Farmer from Wasco has done this since 1947 when Norbert Streiff accomplished the feat. Johnson repeated at Kern County Fair where he had a grand champion barrow with Wayne Barnes showing reserve.

Floyd Bauer and Paul Evans topped the Yorkshire competition at the Cow Palace with champion and reserve champion barrows. Bauer's barrow had the honor of being the first sold at the auction of nearly eight hundred hogs. At the same show Bauer had champion pen of five fat steers, all five of which were judged prime, with Tipton Holloway showing reserve champion pen of five.

Wesley Selvidge had Future Farmer champion fat hog at the Great Western and it went all the way to the grand championship in what was described as the best hog show at the Great Western in years. Wesley received a gold wrist watch from the Cudahy Packing Company for his accomplishment. The grand champion hog brought two dollars a pound at the auction.

At the 1957 State Fair Wasco Future Farmers won first in Farm Mechanics, sweepstakes for the tenth consecutive year. They placed second in beef sweepstakes, third in swine sweepstakes, second in beef grooming and third in appearance of swine exhibits, for the best all around record in years.

Miss Kern County, Wasco Union High School's own Evelyn Pchl, visited the Wasco exhibits at the State Fair and complimented the boys on their outstanding exhibits. The animals and part of the boys made the trip to the State Fair and return by Santa Fe Railway.

At the Kern County Fair, James Johnson had grand champion barrow and was followed by Wayne Barnes with reserve champion. Paul Evans had champion FFA fat lamb. Wasco won the trophy for the ten best market hogs owned by Future Farmer exhibitors. The chapter exhibited the grand champion carload, in a class of 19 carloads and won the grand championship for the tenth time in eleven years. The chapter also had champion pen of five fat steers and grand champion Chester White sow in the open division.

In addition to Wasco's grand champion fat hog the chapter carload of fat steers won the grand championship at the 1957 Great Western in competition against 25 carloads. This was fifth grand champion carload to be shown by Wasco entries in the last eleven years. The competition included carloads from the large schools in Kern County and in addition three colleges had entries. The champion carload dressed out at 66.36%. E. B. Manning and Sons purchased the grand champion carload at thirty-two cents and a total of eighty-five fat steers from the chapter. These steers had an average dressing percentage of 65.03, a remarkably high yield.

Under the leadership of Paul Evans a group of Wasco Future Farmers appeared before 1500 Los Angeles city school children to display their prize winning animals and to explain how the animals had been obtained, fed, fitted and shown.

A letter of commendation, from the superintendent of the show, on the boys conduct and appearance, was received by Wasco Union High Schools principal, Mr. C. Y. Green, Jr.

The winning fat hogs at the State Fair and the Kern County Fair were purchased as feeders from L. A. Grant and Sons and were the result of a three way cross involving the Yorkshire, Chester White and Hampshire breeds. The sire of the winning fat hog at Los Angeles was contributed by Sterling Grant to the Wasco Future Farmers.

Mrs. Obie Hankins was chosen FFA Mother of the Year, 1958, on the basis of the record of her son, Mike, who had the most outstanding project program in the chapter. In addition he served as Vice President and Treasurer, was on the honor roll and completed requirements for State Farmer Degree.

Herbert Pritschke, Wasco Postmaster, and graduate of the 1918 class at Wasco High School was saluted as the outstanding senior citizen of the year on the basis of his service to the school and community during the past year. Sterling Grant was elected by the Future Farmers to receive the award as the Junior Citizen for his service to the school and community. Floyd Bauer received the gold key ring of State Farmer at the FFA Banquet.

At the 1957 FFA awards banquet, Mrs. J. B. Waldrip was elected as Mother of the Year on the basis of the record on project work and FFA activities of her son, Wayne, past Student Body president. John Peters was named as Senior citizen of 1957, Tilton Tracy and Frank Gafner as Junior citizens for the same year. Wayne Waldrip was awarded the gold key of State Farmer.

Honor was brought to our Future Farmer chapter during the 1957-58 school year when two members of the chapter, Gary Robinson and Earl Hall, were elected as student body presidents, first and second semesters, respectively.

On Friday, December 6, the Class of 1958 presented the Norman Krasnas play, "Dear Ruth" under the skillful direction of Lawrence Mendenhall.

The action of the play takes place in the dining room of the Wilkins home, Kew Gardens, Long Island, New York, sometime during World War II. The play concerns Miriam Wilkins, who wrote letters to Lt. Seawright signing her sister Ruth's name to each one.

The background or setting gave the play very effective lighting and made the scenery more realistic. Credit was given to Mr. Mendenhall for his time spent last summer constructing the setting.

Tiger Five

The varsity basketball team of 1958 was formed around a nucleus of returning lettermen. Under the direction of Coach Burtner, the team compiled a record of eleven wins and eight losses. In league action the Tigers garnered an eight-two record; both losses were to league winning Shafter.

The Tigers, faced with the problems of having no gym to practice or play in, practiced two days a week at Rio Bravo and the other two days on the outside courts. In spite of their difficulties, the Tigers made an excellent showing by winning the greater percentage of their games.

Kittens

With no returning lettermen, Coach Darby was faced with the task of molding and building a winning team from a group of inexperienced boys. Although the "C's" didn't have a winning year, the highlight of the season was the defeat of league winning Shafter.

The "C's" lost several close games that could have been won with a fewer mistakes. The boys didn't seem to find themselves until the last game of the year, when they won over South Hi 45-19. Wasco can expect great things from these boys in their remaining years. Boys who stood out in particular during the year were: Alvie Snow, Othel Pearson (leading scorer), Flenoil Townsend, and Dearl Boyett.

Industrial Arts

The student at Wasco High has a superb opportunity of beginning his career in the industrial field. Here he finds a metal and wood shop and a mechanical drawing laboratory which rank among the finest in the state.

The Industrial Arts student begins his program with General Shop which introduces him to things he can expect in future years.

Besides General Shop three other subjects pertaining to the shop are required. These are: Metal I, which familiarizes the student with such things as sheet-metal work, plastics, forgery, and casting; machine woodworking, which teaches the care and use of hand and power tools, and proper design and construction of furniture; mechanical drawing, which teaches the principles and techniques of good drawings.

When the student has completed, he may enroll for Furniture Making, Cabinet Making, Metal II, or Tool Maintenance, Mechanical Drawing II or Architectural Drawing.

Soon the Industrial Arts students will have a new shop in which auto mechanics will be taught for the first time.

The FHA, or Future Homemakers of America, was very active during this past year.

The chief objective of the FHA is to work toward the establishment of a happy home. Various fundamentals, such as grooming, personal care, child care, interior decorating, and the furnishing of a modern home, were studied by the girls in the homemaking classes this year.

The FHA takes part in many activities on Wasco High's campus. An installation, a hayride, and a snowtrip were among the activities which the members enjoyed. Various schemes, such as selling at football games, painting house numbers, and mowing lawns were used to raise money.

In September the FHA president and representative attended the Asilomar Conference at which the new state FHA officers were elected. Murlene Lequieu and Judy Dixon were the delegates from Wasco.

In January the election of new officers was held. Linnie Bowles was elected to serve as President; Bobbie Watkins, Vice-President; Addie Ellis, Secretary; Bobbie Stinnett, Treasurer; Judy Sukut, Parliamentarian; Judy Nixon, Reporter; Joan Davis, Historian; and Betty Brown, Song Leader.

The Future Homemakers of America, under the sponsorship of Miss Jean Clark and Mrs. Nancy Helsing, had a most successful year.

The main purpose of the Camera Club is to interest its members in taking more and better pictures.

Only a few of the club members are taking or have taken photography. Therefore, the club tries to teach its members some of the photographic processes.

The Camera Club enjoyed many activities during the past year. Initiation parties, to which the initiates come dressed in costumes, are held at the beginning of each semester. The activity which the club enjoys most of all is its annual snow trip to Shirley Meadows. On each of these trips a contest is held to determine which member can take the best picture. A prize is given to the winner.

The Camera Club members enjoy themselves while learning to be better photographers. The advisor is Mr. Boggess.

"Time Out for Ginger"

In March the Junior Class presented a three-act comedy which delighted the audience. The play concerned Ginger, an impulsive, adventurous tomboy, who decided to sign up for the football team after her father had given a speech stating that everyone should be allowed to do what he wants to do.

The high school principal and Mr. Carol's boss were enraged by Ginger's unladylike conduct. Her sisters, Jeanne and Joan, were shocked and embarrassed, vowing not to attend any football games. Then, as a crowning blow, pictures of Ginger in full football attire came out in Life Magazine, jeopardizing her dad's job. When Ginger makes the announcement that she has made the team, Mr. and Mrs. Carol are completely overjoyed and shock others by their response.

However, the happiness dissolves into tears when a touchdown is set up for her by the squad. As a result of her escapades, Ginger decides that being a girl is much better than playing football. After Ginger's acquaintance with her boyfriend is renewed, peace reigns over the Carol family as they go to the high school play.

T. N. T. Club

This year the TNT (Teachers for Now and Tomorrow) Club marks its third year of being one of the most active organizations on campus.

The highlights of the year were visiting and teaching the individual classes at the Cerebral Palsy and the Wasco Union Elementary School. For a half a day, each member was permitted to observe a teacher conducting his class, and then on a later date the members were able to teach the class they had previously visited. This teaching day also helped to stress the motto of the club: "To acquaint and stimulate members with such professions as teaching, nursing, psychology, and other related fields of social "work." Although the role of a teacher was new to the majority of the members, all seemed to agree that they had profited by their experience.

Other activities of the year included a tea for the seniors given in their honor by the Delta Kappa Gamma Society in McFarland; a banquet in Arvin; a few receptions for the old and new members; a panel discussion; a cake sale; a snow party at Shirley Meadows with the Camera Club; and, a beach party at Avila.

The club's capable advisors were Mrs. Walker, Miss Clark, Mr. Johnston, and Mr. Saindon.

Track

The 1958 track season was highlighted by Wasco's showing at the Wasco Relays, the Kern Relays, and the South Sequoia League Meet. The thinclads took the "A" and "C" classes at the Wasco and Kern Relays. At the League Meet, the team took all three classes, "A", "B", and "C".

So far this year two records have been broken. An outstanding Junior, Richard Aronson, ran the half mile in 2:01.8 to break the old record of 2:02.8. Sophomore, Larry Frey, broke a twenty year old record when he ran the 330 yard dash in 35.5.

A few of the many outstanding performers on the Wasco team were: Allan Gaede, sprinter; Lowell Woodman, sprinter; Ernie Borjon, distance man; Howard Thomas, high jumper; Rodger Harrison, sprinter; Mike Roulier, distance man Dave Floyd, pole vaulter; Richard Aronson, half miler; Billy James, high jumper.

Although the team will miss its graduating seniors, Coach Andy Darby is looking forward to a good team next year with the many who will return.

Hurdles: D. Cooper, L. Waldrip, G. Eskew

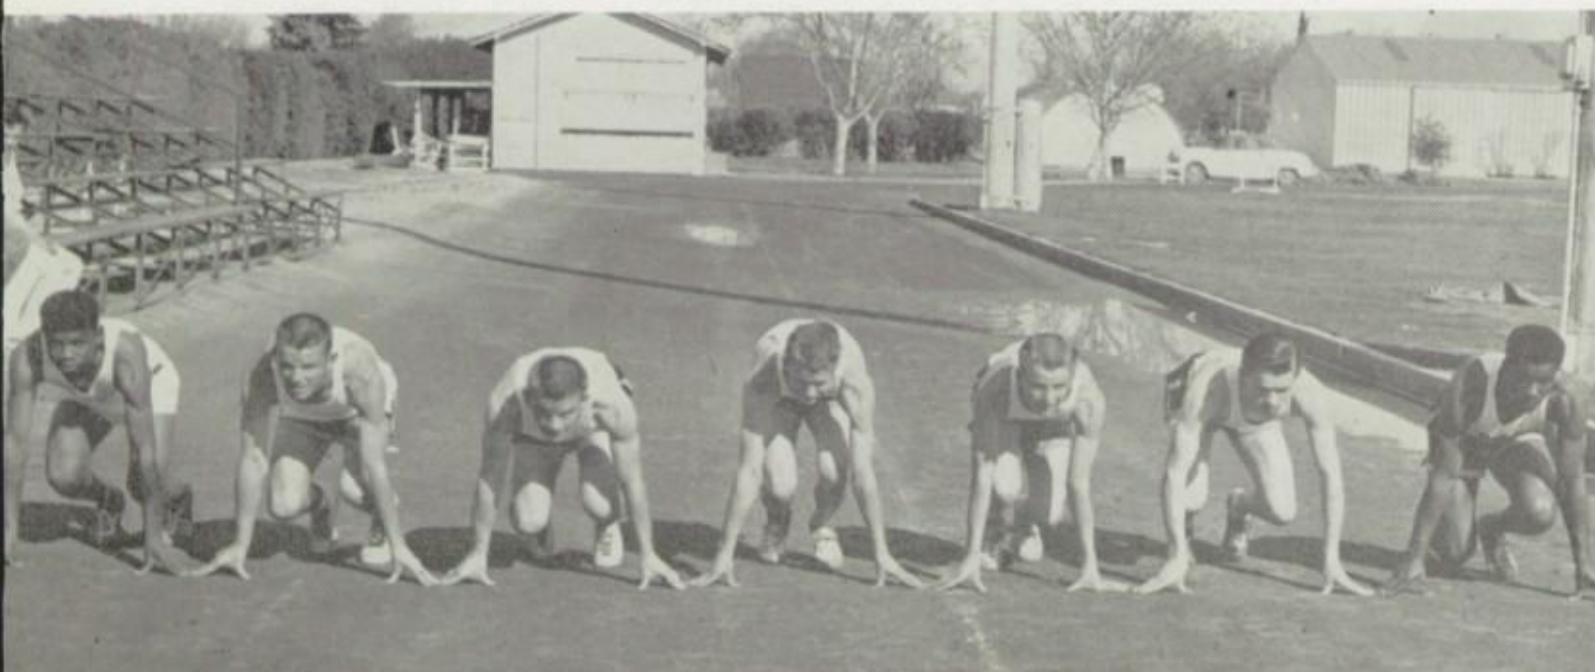

High Jump: Howard Thomas

High Jump: Lowell Woodman

Sprinters: F. Townsend, D. Boyett, A. Gaede, F. Patrick, A. Garrison, L. Woodman, R. Harrison.

The 1958 Tiger baseball team was undoubtedly one of the finest in the school's history. With six of the usual starting lineup seniors, this year's club was experienced and trained. Playing on the starting nine for the first year were Darrell Carpenter, Richard Berendsen, and Kenny Gaede. Rounding out a group of fine prospects were Arnold Gentry, who started often at third base, and Mike Gilmer, a hustling outfielder.

Seniors on the squad were Dan Dunlap, Wayne Siemens, Melvin Velvick, Harry Cole, Monte Baggs, Larry Douglas, Jerry Napier, and Adolph Penalber.

In the last three years, coach George Terry has ably piloted the Tiger baseballers to two South Sequoia League championships. In 1957, the team ended up in second position.

The Tigers, unable to play several games due to rain, wound up the season with a 12-6 over-all record and a 8-2 league record.

The only league losses were suffered at the hands of rival Shafter in an 11-inning, 7-6 contest and Coalinga, 4-3.

Velvick, Siemens, and Carpenter, along with veteran catcher Dunlap, formed a dangerous combination to opposing batters.

Row 1: M. Gilmer, A. Penalber, K. Gaede, J. Napier, R. Berendsen, H. Cole. Row 2: M. Baggs, W. Siemens, D. Carpenter, M. Velvick, L. Douglas, D. Dunlap, A. Gentry

Row 1: K. Byrd, R. Greenlie, E. Hurd, J. Shafer, M. Hussey, R. Pitts, M. Rodriguez, R. Jameson. Row 2: D. Ensey, F. Masten, J. Wetmore, J. Hillblom, M. Hankins, B. Crowder, H. Frantz, J. Johnson, O. Pearson. Row 3: A. Penalber, V. Doogan, C. Shugart, J. Priest, F. Wilbourn, M. Bradley, H. Franks, L. Penalber, D. Wright.

Under the stimulating guidance of coach Burtner, the J. V.'s were able to lead the league until the last three games of the season. The three league losses were very close and left the J. V.'s with seven wins and three losses. Shafer and Coalinga were tied for first place with eight to two records.

Bob Crowder was the outstanding chucker, pitching the team to 8 victories in the 11 games that he commanded the mound. Outstanding batters were Mike Hankins and Albert Penalber.

The future of the J. V.'s looks bright with a new crop of young baseballers stepping into line. The team will, however, feel the loss of Frantz, Franks, Hankins, Crowder, Wilbourn, Penalber, Johnson, and Priest.

The Wasco High swimming team, under the guidance of G. A. Parrott, enjoyed a fairly successful year. The team would have done better, however, if more pupils had participated. In spite of a shortage in number, there were several outstanding swimmers and divers.

Those who placed in the league meet were: Judy Neufeld, Carol Berendsen, Judy Pueschel, Mike Hussey, Philip Siemens, and Dickie Unruh.

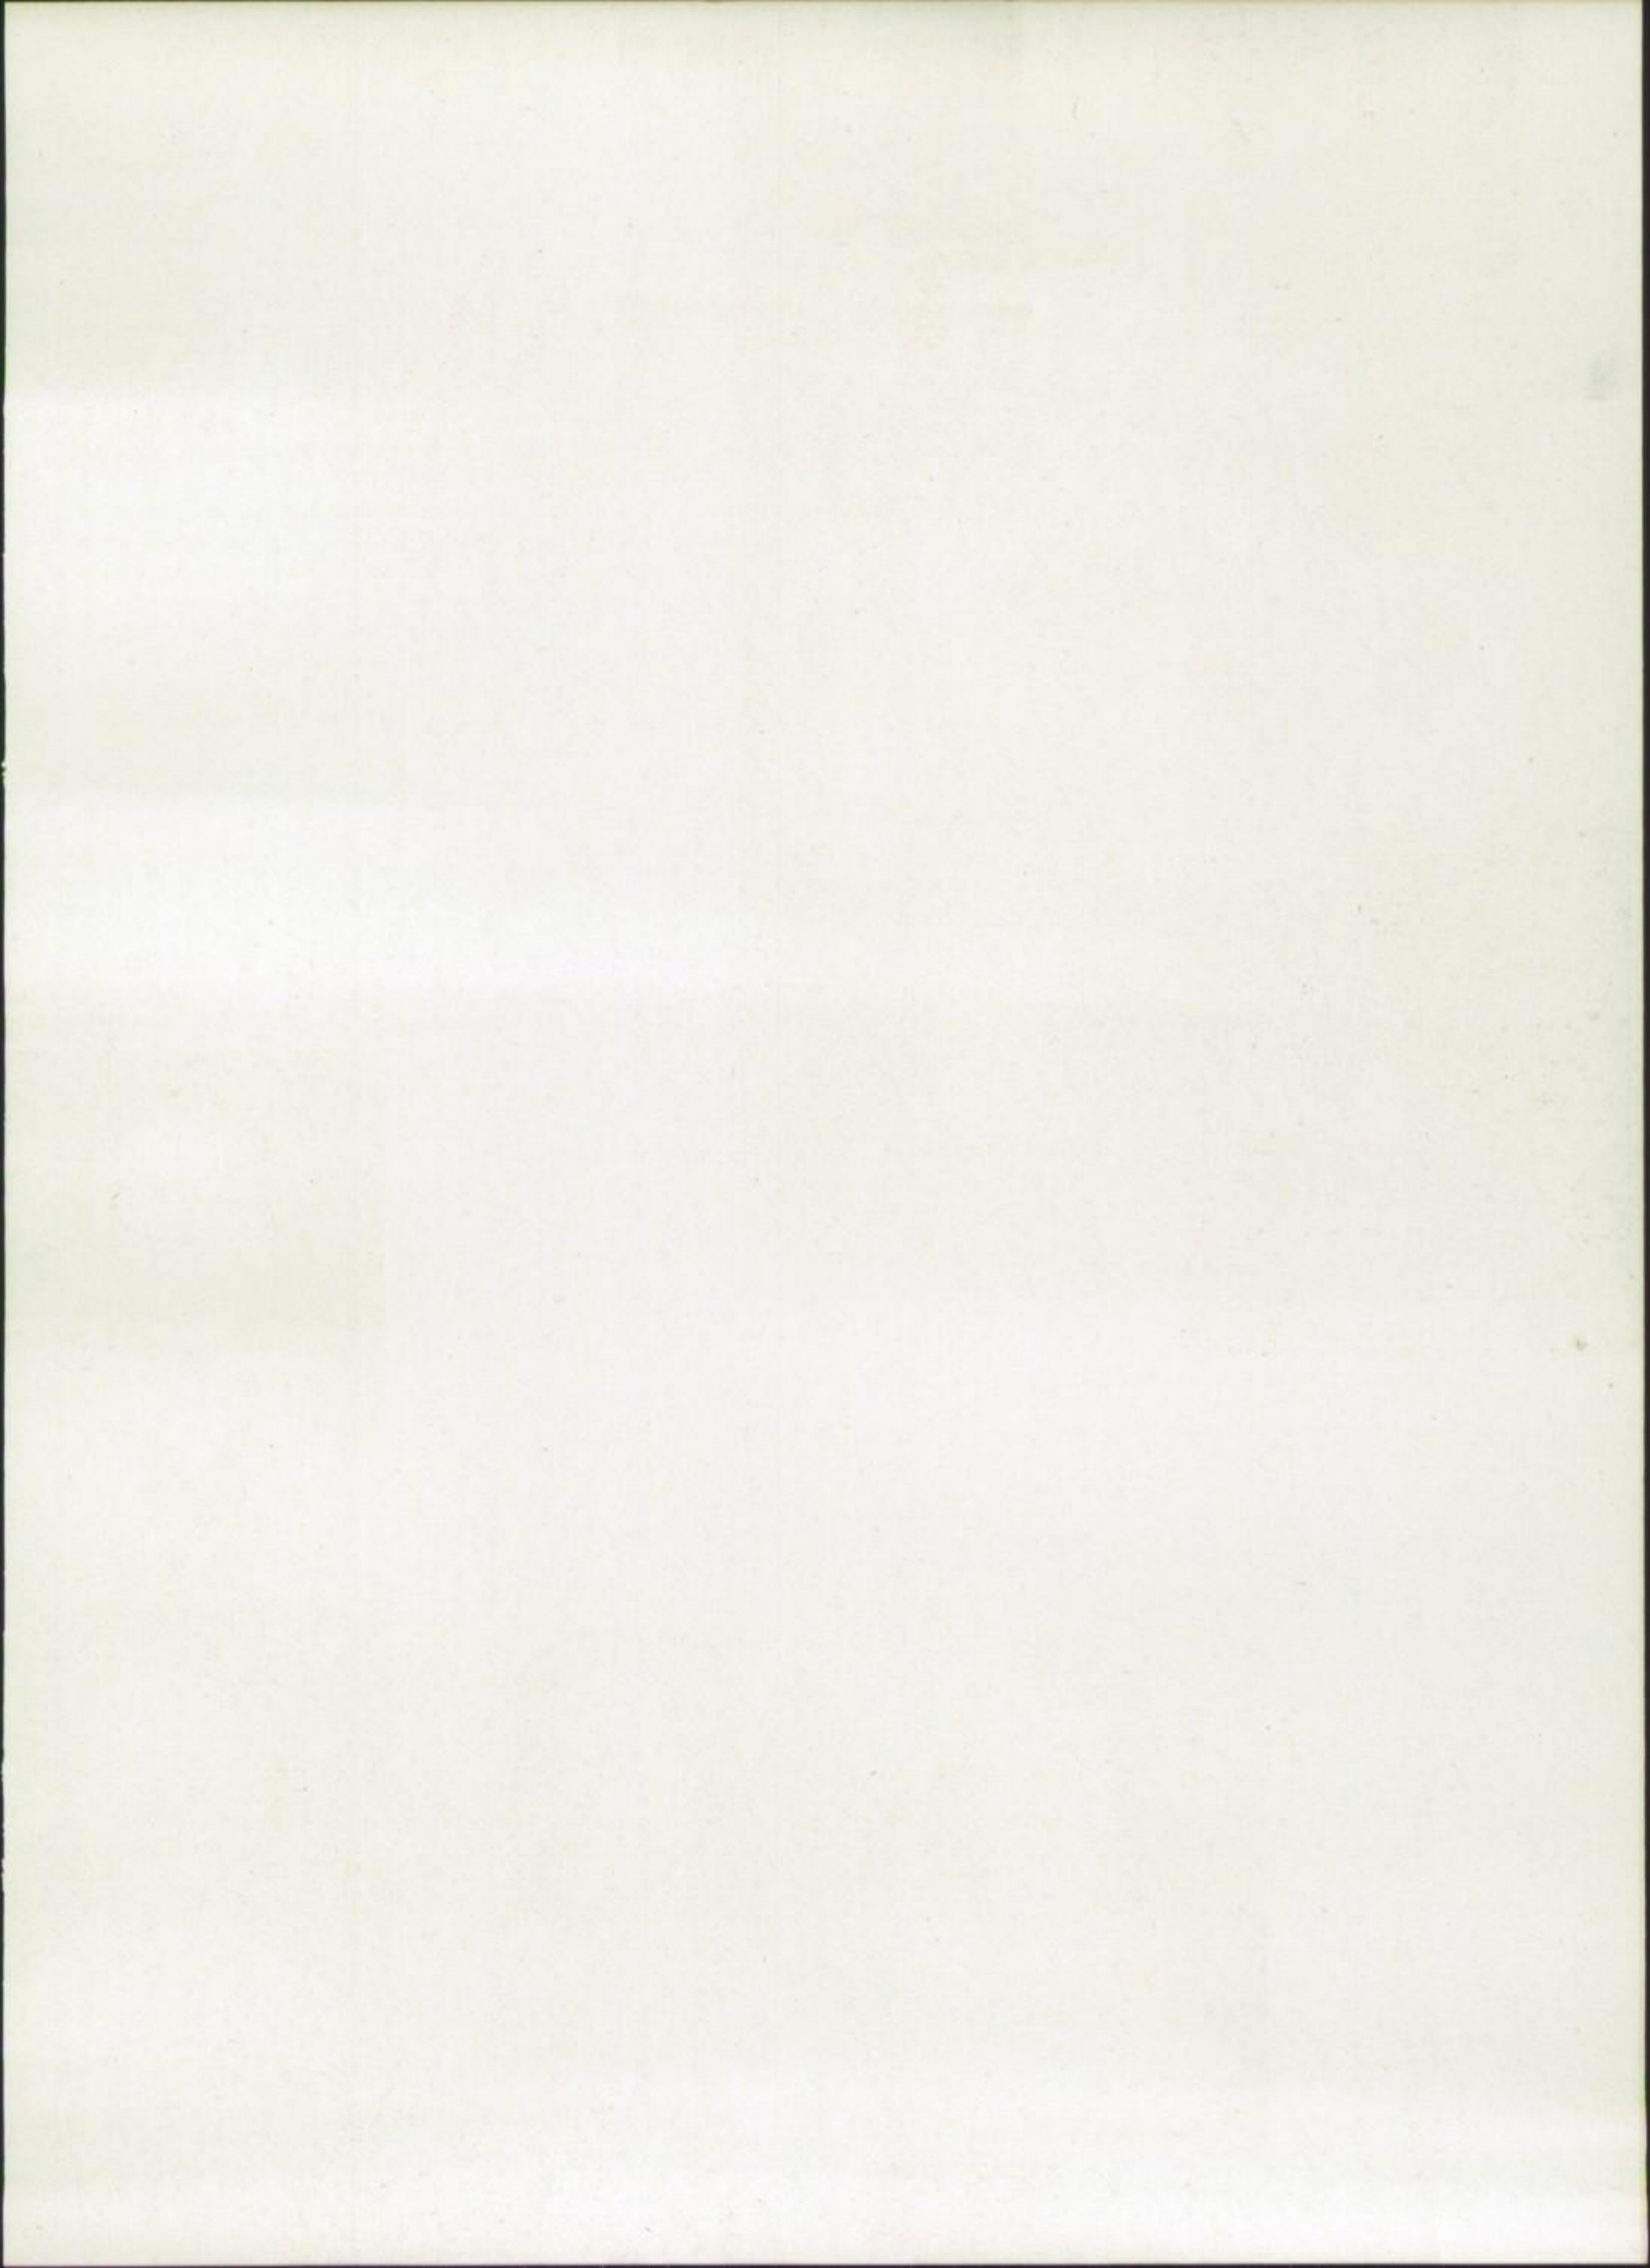

With most of these people returning next year, Wasco High should have an outstanding swimming team.

The C. S. F. or California Scholarship Federation is composed of students who have received a total of ten points from their semester grades. An "A" is equal to three points, a "B" is equal to one. Points are received for only those subjects which require preparation. An additional two points may also be earned through work in extra-curricular activities.

This year a coaching bureau was organized by the members of the C. S. F. Although it wasn't used by many students, it is hoped that it will become a regular feature at Wasco High. In this bureau, members of the C. S. F. offer to help students with difficult subjects.

The members of this club attended the bi-annual conventions, this year held at East Bakersfield and Arvin.

The rest of the assembly look on with amusement as one Spanish club member tries to break the pinata at the annual Spanish club Christmas party.

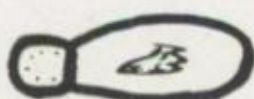

The group piles into the back of a truck which will take them Christmas caroling around the community.

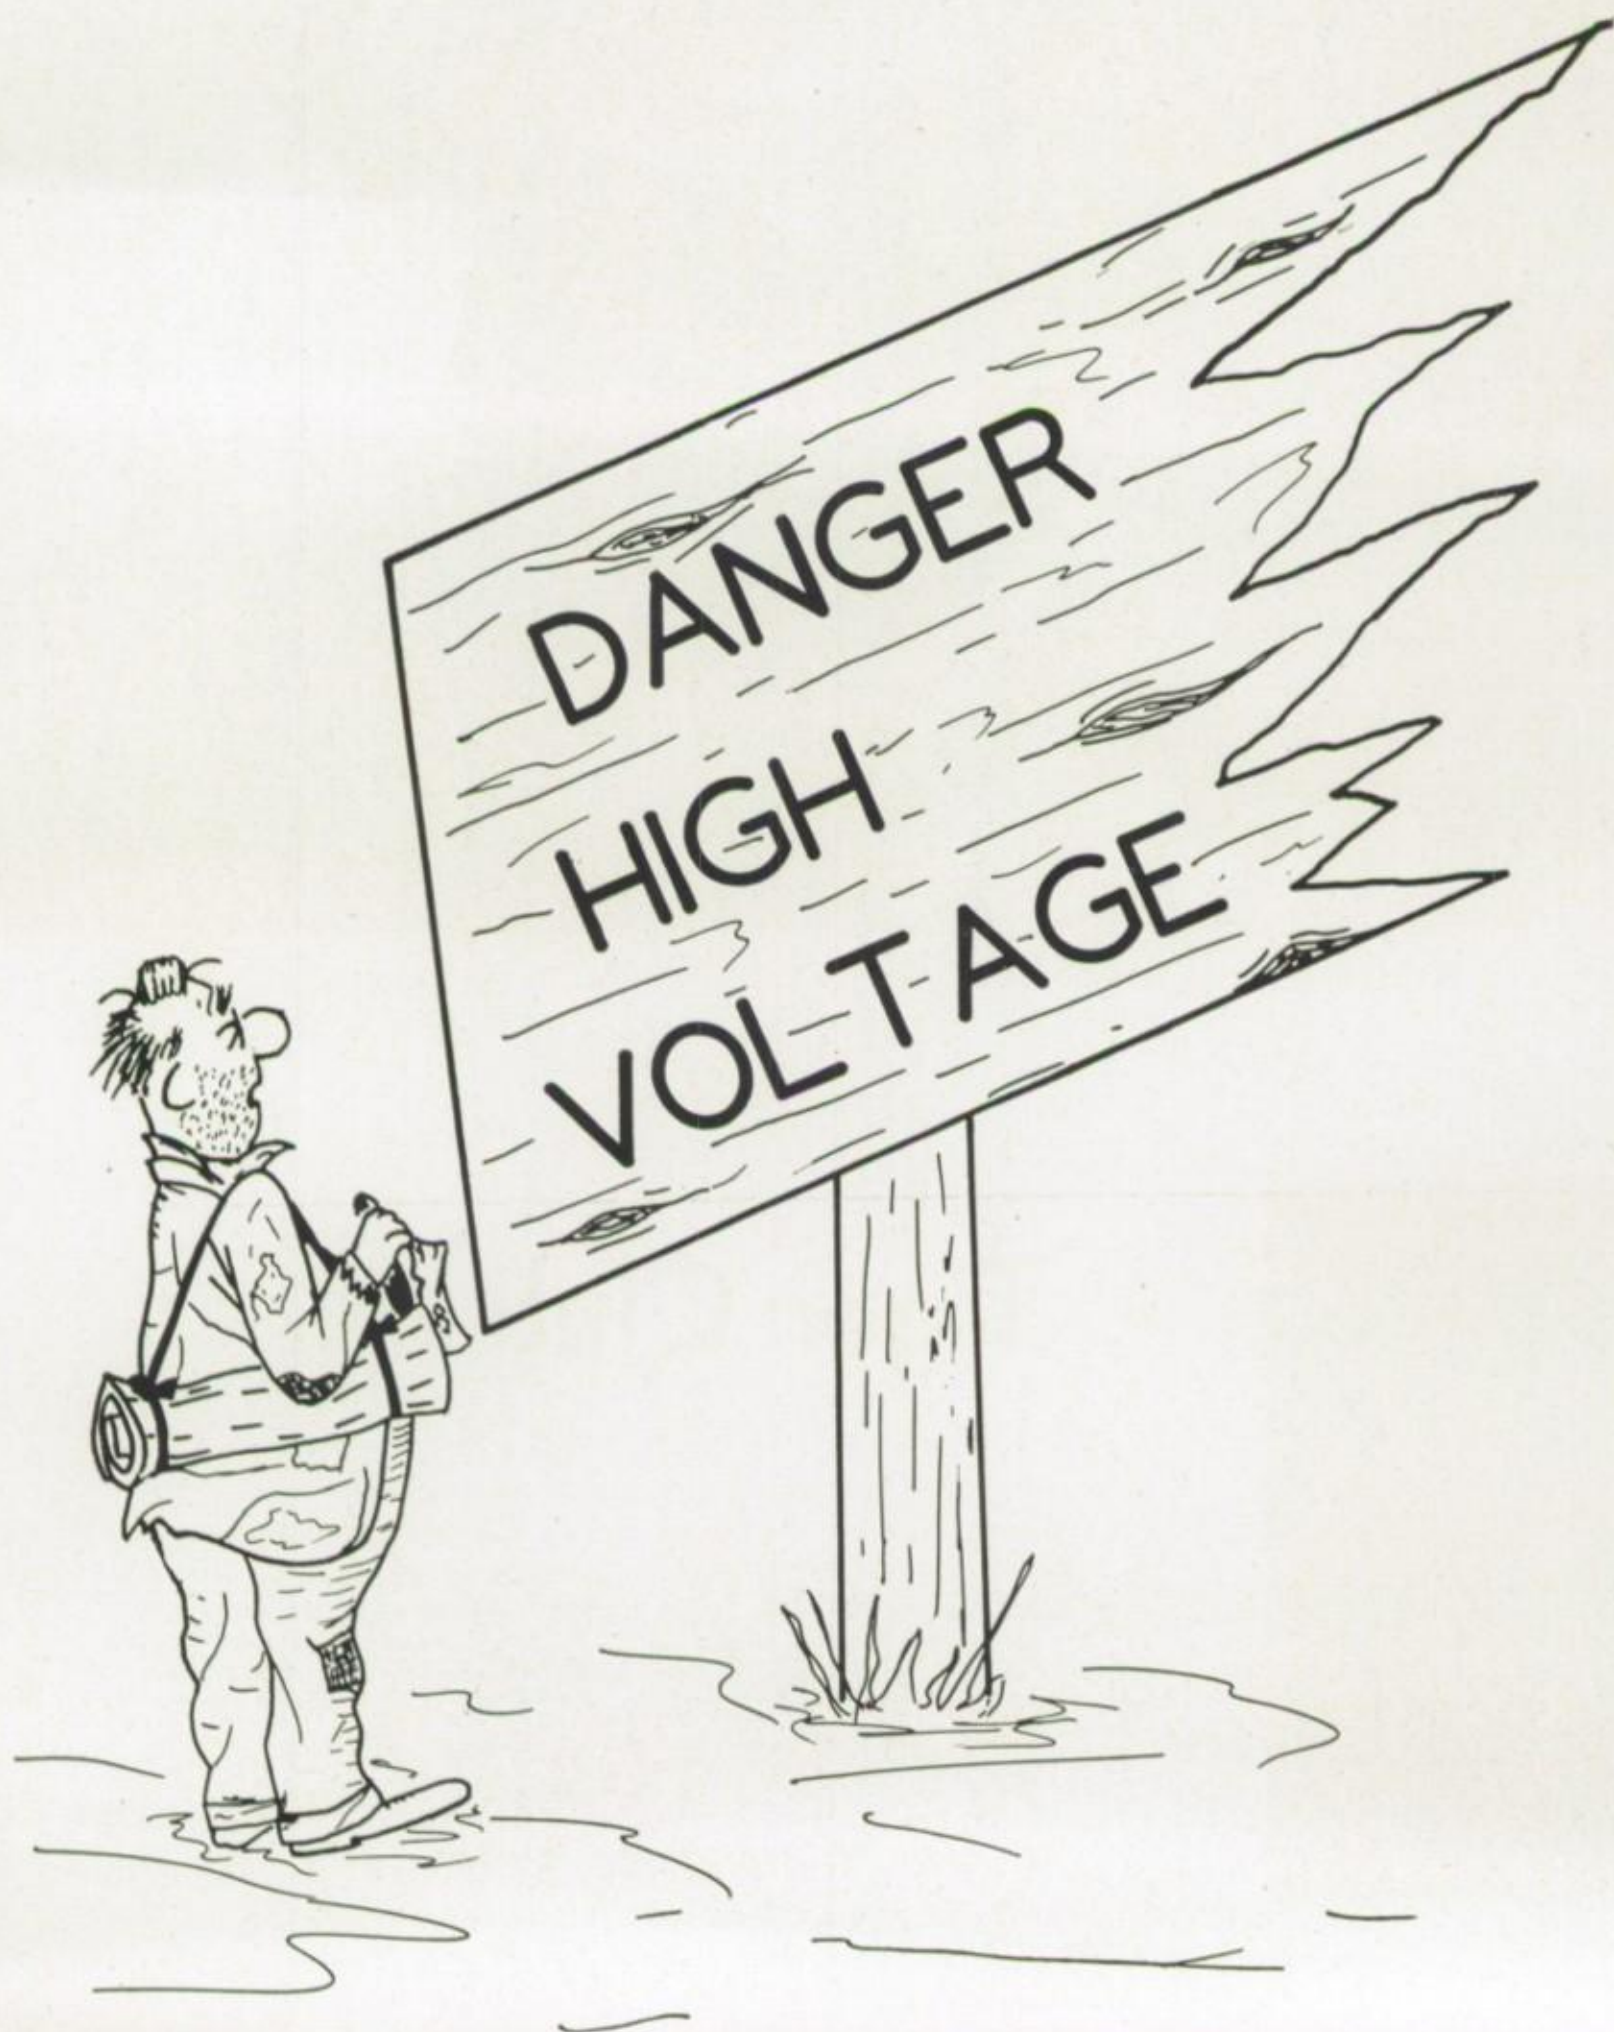

As the pinata breaks, there is a mad scramble for the sweets which spill forth.

Tiger Club

The Tiger Club, a relatively new club, was organized in 1956. The members are chosen according to the number of service points they receive for school activities. The students must have four hundred points or be in the top five percent of the students turning in points.

Club members are chosen at the close of each semester. The students who qualified for membership in 1957 were Mary Jane Acklin, Doug Bolder, Carolyn Cameron, Mary Clark, Wilma Cornelius, Nancy Frey, Cindy Gilbreath, Ted Gill, Jim Goodall, Judy Lang, Larry McCombs, Rebecca McMullen, Mary Therese Miller, Wanda Mouser, Barbara Neufeld, Noreen Sunderland, Margaret Wilson, Madeline Perales, Betty Petker, Sharon May, and Gary Robinson.

C. S. F. Life Members

Life membership in the California Scholarship Federation is an honor which a senior may receive if he fills the requirements — membership in the C. S. F. in four out of the last six semesters of high school, one semester being in the senior year. A banquet honoring these life members is held at the close of each year.

Boys' and Girls' State

Every year three junior students are chosen to represent the school at Boys' and Girls' State. These students, two boys and one girl, are picked according to citizenship, scholarship, physical fitness, and leadership.

In the following summer the three travel to Sacramento where they are participants in a week's activities in governmental practices. The boys as well as the girls are divided into cities and counties where they will remain the entire week.

Election procedures are explained in lectures, and then the students put these procedures to work. Each person may be elected to one office — city, county, or state level.

The Staters are divided into two political parties which spend the week campaigning for the final state elections. Party platforms, songs, and slogans are all prepared by the Staters.

During their stay in Sacramento, the students participate in such activities as trips to the state capitol, election campaigns, candle lighting ceremonies, mayor's visits, talent shows, and picnics.

The experience is enjoyed by all attenders, and many new and longlasting friendships are made. When the students return, they report their activities to their sponsors, the American Legion, the American Legion Auxiliary and the Lions Club, and to the student body.

The students who attended the 1957 Boys' and Girls' State sessions were Mike Roulier, Stephen Smith, and Marilynne Clemens.

CAROLYN LANE

Magna Cum Laude

Each year two graduating students — one boy and one girl — are awarded the Magna Cum Laude. This highest honor, given for outstanding scholarship during the four high school years, was awarded in 1957 to Dan Merz and Carolyn Lane.

Acknowledgements

As this book is in the final stages, we look back over the time spent planning and constructing this record of the accomplishments and achievements of Wasco High for the 1957-58 school year. Editing the Wasconian has been an honor as well as an invaluable experience and would not have been possible without the help and co-operation of the administration, faculty, and the students.

We would also like to give special recognition to:

MR. RAY REXIUS, for his excellent photography and his complete co-operation.

CALIFORNIA ART & ENGRAVING, Berkeley, for engraving; and to Mr. Moon for his advice and assistance.

S. K. SMITH CO., for the covers.

MERCHANTS OF WASCO, for advertising.

MR. TOM SHAFER, MR. PAUL GROVES, and the staff of The Wasco News for the printing and their patience.

PRINTERS SERVICE COMPANY, Fresno, bookbinders.

THE WASCONIAN STAFF, for their work toward the publication of this book.

MR. TED REMPEL, for his suggestions and supervision throughout the year as advisor.

We would like to thank everyone who has made this year-book possible and hope that it has met your approval and expectations.
